

PE Lesson:

OUTDOOR & ADVENTUROUS: SAVE THE TREASURE

Agree a starting point
Spread treasure across the floor
Use toys and socks as treasure

- Using two objects can you move without touching the floor, picking up the treasure and returning it to your starting point
- If you touch the floor you must drop the treasure and start again.
- Create a scoring system so that teddy bear = 1 point and socks = 2 points

Can you keep trying to think of the best ways to use the objects to move?

How many points can you score?

Can you play by the rules and if you touch the floor start again?

Top Tips!

Do not carry too much treasure in one go!
If you carry too much treasure then you risk falling and losing your treasure.

Lets Reflect

What tactic did you use for collecting treasure?

How did you use your two objects to move around safely and efficiently?
