Dear Parents/Guardians,

We are delighted to advise that Caterlink will be continuing to provide your school's catering service under a new contract from 01/09/2025.

Caterlink has been working with some of our schools in the Trust for the past 5 years. We will be working closely with Caterlink in partnership to ensure they continue to offer a high-quality and enjoyable dining experience for our primary school students.

The paid meal price will continue to be **£2.70** (*subject to change during the duration of the contract, but with consultation between the Trust and Caterlink*). Communication will be sent prior to any changes.

What this means for you and your child:

- **New menus:**

You can expect to see new and exciting menu options, catering to a variety of tastes and dietary needs. Caterlink will be providing information about the new menus in October 2025.

- **Ordering and payment:**

Ordering will continue to be done in line with school procedures with payment via ParentPay.

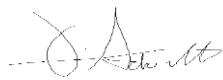

- **Dietary requirements:**

If your child has specific dietary requirements, please click on the Caterlink Allergy and Intolerance form to fill and complete, which can be found on your school's website. Please print and ensure the form is handed to the school. We will be working with Caterlink to ensure our student needs are met as far as reasonably possible.

Any questions relating to your school catering services, please contact the school in the first instance.

Thank you for your understanding and cooperation

Yours sincerely

Jason Ackrill, Facilities and Compliance Manager
