

The Buckland School Trust

The Buckland School Trust is a registered charity set up to provide funding for the provision of additional facilities and support for this outstanding primary school. Our aim is to advance the education of the pupils at Buckland School: with your help we can provide facilities which are not provided by the Local Education Authority. Together we can help Buckland School realise its vision to deliver exciting and inspirational learning.

The trust has helped provide:

- Books and pens for Year 6 Leavers
- Dance, music and other workshops
- Part funding for transport to Abingdon School science laboratory
- Fun events such as Jonathan's Jungle
- Visualisers and projectors
- An incubator (7 chicks hatched in 2019!)
- Sports equipment

Parents, past parents, the wider community: we can all give a little and together make a big difference.

The School

Our Mission Statement:

We are a caring village school which promotes Christian values where each child receives a high standard of education that is broad, challenging, exciting and encourages creative thinking. We encourage every learner to be the best they can be, to reflect and plan the next steps in their learning journey, demonstrating a respect towards others and contributing to the communities of which they are a part.

"We believe that each child is an individual and we seek to provide personalised academic, emotional, social and spiritual support for each one"

Ms L Warren, Head Teacher

Thoughts from the school

At Buckland School we provide a broad and stimulating curriculum, full of opportunities to excite and motivate our learners. We are grateful to The Buckland School Trust for providing the additional funds to assist in those areas where normal academy funding cannot stretch.

The Children

"We are always grateful for the extras that make our school special. Thank-you!"
